Coaching Institute

P

POSIQUEST GLOBAL COACHING INSTITUTE

At PosiQuest Global, our mission is to cultivate wise, human-centered coaches and coach trainers who are creative, collaborative, confident, and capable.

MORE THAN
A METHOD.
A MOVEMENT

WHO WE ARE

PosiQuest is a global coaching and coach-educator institute grounded in wisdom, creativity, and real-world practice.

We bring together science and human connection to empower coaches and organizations to lead with awareness, courage, and purpose.

Our Signature Programs

POSIQUEST COACHING PROGRAM

Our comprehensive curriculum blends ICF Core Competencies with the PosiQuest 5-C Model, offering a holistic pathway to coaching mastery. You will learn the art and science of coaching and develop the mindset, skillset, and presence of a professional coach.

Ideal for those seeking to begin or expand a meaningful coaching practice.

You'll gain:

- 100+ hours of coach training and mentoring
- A strong foundation in ICF Core Competencies
- Practical experience through observed coaching and supervision
- Eligibility for ICF credentialing

POSIQUEST COACH TRAINER PROGRAM

This advanced program is for certified coaches ready to become skilled trainers, mentors, and facilitators of transformation. You will deepen your coaching mastery while learning to design ICF-aligned learning experiences.

For experienced coaches (ACC or higher) stepping into educator and mentor roles.

You'll gain:

- Advanced training in coach education and assessment
- Skills in mentoring, facilitation, and feedback for adult learners
- Experience designing and leading transformative programs
- A pathway to becoming a certified coach educator

Why PosiQuest?

1

Grounded in science, positive psychology and ancient wisdom

2

Guided by ICF competencies and ethical standards

3

Designed for experiential, creative, and global learning

4

Supported by an international faculty of coaches and educators
